1 THE INSTITUTE

1.1 A District Institute of Education & Training (DIET)

A DIET is a District Level Institute with seven branches working collectively for the upliftment of elementary education in its District jurisdiction.

1.2 Teacher Education:

The major thrust of a DIET is education of teachers working in the field of elementary education through:

- Training of fresh incumbents to be full-fledged teachers
and
- Refresher programmes on various areas of education for teachers with a considerable span of experience

Linkage:

Emergence of a DIET is to fulfill the needs of education at the elementary level in accordance with the national policy of education

DIET, as a district level organization complements the task taken up by the State Level educational bodies.

1.3 Role and Mission:

As a micro-level unit of the network of education, a DIET is sensitive to the problems and needs of elementary education within its jurisdiction. Besides teacher education, it undertakes research studies in the lab areas, and finds solutions to difficulties arising in the fields of enrolment, stagnation and wastage. It attends to children's achievement attainments, methods and materials of teaching and attainment of 100% literacy under National Literacy Mission etc.

DIET shoulders a major responsibility of conducting Pre-service Training course for fresh incumbents in the form of DIPLOMA IN EDUCATION course.

1.4 DIET, Porvorim:

Following the up-gradation of the erstwhile Govt. Teachers' Training College at Porvorim, the institute came into existence as a DIET in June 1990. This DIET runs under the Centrally Sponsored Scheme of the Union Government of India under the Ministry of Human Resource Development, Department of Elementary Education and Literary

1.5 Tasks and Achievements.
